

VENKATRAJ R

Java Full Stack Developer

Tirunelveli, Tamil Nadu | +91 9600315716 | venkatrajvj32@gmail.com

LinkedIn: linkedin.com/in/venkatraj-dev | GitHub: github.com/Venkatrajvj | Portfolio: venkatrajvj.github.io/Venkat-Portfolio

CAREER OBJECTIVE

Motivated and detail-oriented Java Full Stack Developer with a strong foundation in Java, Spring Boot, React, HTML, CSS, JavaScript, MySQL, Object-Oriented Programming, and Data Structures & Algorithms. Hands-on experience building responsive front-end interfaces, REST-driven applications, and a full-stack Java + MySQL student management system. Seeking to contribute to scalable, user-friendly software solutions while continuously strengthening technical and problem-solving skills.

TECHNICAL SKILLS

Languages: Java, JavaScript

Backend & Frameworks: Java, Spring Boot, REST API Development

Frontend: HTML5, CSS3, React.js

Databases: MySQL

Core Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), Debugging, Problem Solving

Tools: Git, GitHub

PROFESSIONAL EXPERIENCE

Java Trainee | Tech Vedhu, Bangalore, Karnataka

Dec 2025 – Feb 2026

- Completed an intensive Java Training Program, strengthening programming skills in Core Java, Object-Oriented Programming (OOP), and fundamental Data Structures.
- Completed hands-on coding exercises that improved debugging and problem-solving skills, building a strong foundation for Java Full Stack Development.

Web Development Intern | Zenvicsoft Pvt. Ltd., Tirunelveli, Tamil Nadu

Jun 2025 – Jul 2025

- Completed a 15-day Web Development Internship, developing responsive web pages using HTML, CSS, and JavaScript.
- Worked on front-end development with hands-on exposure to responsive web application development, enhancing debugging, problem-solving, and teamwork skills.

PROJECTS

Student Course Management System | Java, MySQL, HTML/CSS

- Built a full-stack student portal using core Java (HttpServer) with dedicated handlers for login, registration, enrollment, profile management, and dashboard views.
- Designed and integrated a MySQL database to manage student records, course enrollment, and profile data.
- Developed responsive front-end pages (login, register, dashboard, course listing, enrollment, profile) using HTML and CSS.
- Version-controlled the project with Git and deployed the source to GitHub; planned cloud hosting on Render with a managed MySQL backend for public deployment.

AI-Based Resume and Portfolio Builder | College Group Project

- Collaborated with a team to build an AI-powered web application that automatically generates professional resumes and portfolio websites.
- Contributed to front-end development and dynamic resume customization features as part of a MEAN Stack (MongoDB, Express.js, Angular, Node.js) team build.
- Worked on user profile management and portfolio generation features to improve overall usability.
- Followed clean coding practices as a team to keep the codebase modular and maintainable.

EDUCATION

Bachelor of Technology, Information Technology | PSN Engineering College

2022 – 2026

Tirunelveli, Tamil Nadu

CGPA: 7.65 / 10

ACHIEVEMENTS

- Successfully completed the Professional Edge Career Essentials Program.
- Completed a 15-Day Web Development Internship at Zenvicsoft Pvt. Ltd.
- Completed the Java Training Program at Tech Vedhu.
- Maintained a CGPA of 7.65 in B.Tech Information Technology.
